

## **Objects of Alberta Water Polo Association**

1. To educate and promote safety and a healthy environment within the water polo community of Alberta.
2. To promote diversity and inclusion for all involved in the sport of water polo.
3. To advocate for the development of appropriate water polo programs and facilities.
4. To ensure that all coaches and officials are trained and certified.
5. To provide opportunities for competition at a municipal and provincial level.
6. To act as a liaison between the provincial government and/or other organizations and members of the association for achieving its objectives.
7. To raise funds in any way to achieve the objects of the Association.
